Dear Mollie,
It's a long way from those days
at the Fort all the way over to here
but I suppose our memories are
spanning the gap surprisingly well.

Everything is fine with me and I
get on well. News from the family
is very encouraging.

Good for that girlfriend of yours! I thought
I had copied her name, etc. down somewhere
but now I cannot find it. Anyway, I
am sure I would have difficulty
finding her here, mostly because I
have been very busy and don't
get to travel about.

Best regards to everyone and I'm
quite confident we'll all be home very
shortly.

Sincerely
Sammy
