Dear Mollye,

Have just received another edition of the "Y" news. Right now I'm reclining on my bank and trying to think of something interesting to say.

I see by the papers that Marty Sloan, Phil Weinstein, and Sid Seely have joined the ranks. So bad they weren't sent near here. So far I've met only one Delawarean, and he was from way down state.

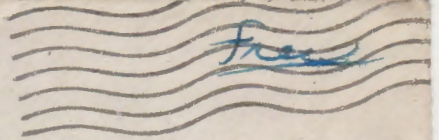

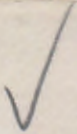

I've also heard that Dr Sigmund Dave Nathans made 2nd Lt; also Dr Miller is bucking for O.C.S. Good for them. The old town should be proud of their proteges. Then too the S.A.P. is going to hold their annual "Snowball".

Wishes I could be there. About 12:00 P.M. Christmas Eve, I'm going to stop and think about last year at that ~~time~~ or rather moment, when the snowballs were raining down. Maybe the other boys have the same thought.

That's all for now  
Regards to All at the "Y"
