

Sunday⁶
[6/6/43]

Dear Mollye,

I received your letter and was very glad to hear from you. I am feeling fine and hope you are too. School is coming along fine and I like it very much. That's one thing about the Mary, when they teach you something, they don't diddle daddle around, they really start the work.

I am writing you this letter on liberty and last night I went to a show with some relations of mine that live here, and during the show they needed a sailor for a part, thus my theatrical career started. After the show we went to the famous "Covered Wagon" in Chicago. I really had a swell time.

I received a letter from Milt Cohen the other day, I guess you know where he is. How is everything coming along in Wilmington? We

started to wear our whites last week,
but it became so cold again we had
to change back to our blues. I have
a time with these uniforms as I already
had my blues all packed away.

I'll end now with love and give everyone
my regards.

Yours of love
Sid Steetman
