Dear Mollie,

Hi Pardner. Excuse the talk but I just got in from a lousy 48 hours in the mountains, and some Swell time!

I got word via Jan Krowitz that Mooty Sloan is in Fort Logan here, and I expect to meet up with him soon.

~~The heat has finally set in out here and my complexion composes well with that of a bright penny.~~ As

yet I haven't gotten the Recorder, but I suppose it is on its way and shall get here shortly. Glad to hear the old Frat is doing so well with this new blood, and they will all

have my best wishes through ^{the} many
channels at my disposal.

I visited the Jewish (~~Gouldman~~) Comm.
Center here, and I must say for such
a big city, it is indeed sad, in nowise
comparing with one "Y".

Best Wishes to all,

Jake. [Coonin]
