Dear Mallye,

U. S. NAVAL HOSPITAL
CORONA, CALIFORNIA

Received your letter the other day and as usual was very glad to hear from you. I am feeling swell and hope you are also. Last week-end I went to visit my relatives out here and they were really surprised to see me, they didn't even know who I was at first, I hadn't seen them in 11 yrs. They really showed me a swell time. We were in Hollywood ^{and} went to Grauman's Chinese theatre. I didn't go to the Hollywood Canteen, but the next time I am there I will go.

So far I haven't run into to any Wilmington boys yet, but everytime I go out on liberty I keep my eyes peeled as I know there are a lot of Wilmington boys stationed around here.

I received a letter from Mully Cohen yesterday.

day and he also sent me his picture, he
looks swell. Do you hear from him often?

I had a cousin who was up at San Fran-
cisco N. O. B., but I believe he has shov-
ed off across the "pond" as you would say.
This Pacific is quite a pond too.

I guess it was nice seeing some Wilmington
boys home on furlough and that corn beef
and salami sounds plenty inviting. I'll
see if I can't fix it up with the Captain
and drop in on one of your parties.

I am glad you are going to lift those
restrictions, and I promise I'll be there
for next season Mollye, so don't you forget.

Well I guess there isn't much more to
write now so give my regards to everybody

Love of Love

Ed Suetman
