ARMY AIR FORCES TECHNICAL SCHOOL  
CHANUTE FIELD, ILLINOIS

Dear Molly,

I guess your surprised to  
hear from me so soon. Well  
its not a change of address.

I am as of yesterday a P.F.C.  
Again.

I dont understand it but  
then neither does anyone else  
here. The first I had heard  
was that I was redlined on  
the payroll as there was a  
change in my status.

I went to Headquarters

to find the reason, and they  
showed me an order from McChord  
Field remaking me a P.P.C. It  
could be a case of mistaken  
Identity - I Hope! But then I'll  
find out soon enough. I finish  
school here Nov 15th. And  
should be back at McChord Field  
shortly after.

Wolly I'm sorry as Hell  
about that pin. I've misplaced  
it somewhere, but don't you worry  
If I can still buy one when  
I get back I'll be sure to  
mail you one.

As far as that photo - Well  
unless you're thinking of starting  
a rogues Gallery I don't know  
why you want a picture of un-  
photogenic me. However for  
you I'll keep looking till I  
find an unbreakable camera  
and then - well who can tell.

It seems crises are common  
with the Skluts these days.  
Jukie wrote telling me that his  
sister also had a baby boy.  
Give Bill & Leah my  
congratulations, and tell Bill

I said I hope it doesn't look  
like him. After all a baby'  
has a big enough handicap  
these days.

Well that's all now Molly,  
So - I'm am a very be-  
wildered
