Dear Malloy,

Philippines

Something happens every day. Now, I have
Sam Silver ~~on the island~~ ^{in the hospital} look a week for us to make
connections but we finally got together for a day.
For a day we forgot there was a going on. In
fact it didn't look like there was a relay on. We
went swimming and fooled around. ~~Talking each others~~
earriffs. You may get some prints of the pictures we took,
provided, of course, that they come out. For a day,
Sam was able to forget that he was a chaplain
in the Army. I was more fortunate; I was able to
forget I was in the Army. It was a ^{great} ~~couple of~~ ^{days} ~~of~~ ^{of}
home week. "We must have acted like ~~we~~ ^{we}
since then I have been able to attend one of
his services which he held nearby. The boys is O.K.
We shall be having another holiday together one
of these days. I shall try to contact the other
fellows on the island. Sam is located in the same
area as Harold Deffen. I doubt if Jack Debenham
is still around but I am sure that I will be
seeing Mulard Kil ~~soon~~ ^{soon} ~~at~~ ^{at}
