ARMY AIR FORCE

Dear Mallye -

at long last I'm to be among
the prodigals who return. Yep -
I expect to be home on the 20th -

for about 2 weeks. Maybe there's
something in the saying that all
good things come to him who waits;
well, I've waited.

There's not much news from
here, and much as I'd like to
be able to announce - still no
ratings in our area.

All for now - Best wishes
to all for a Happy New Year -

Jake.
