Dear Mollye,

I guess it has been quite awhile since you last heard from me, but I really have a good excuse. I am now in Hawaii the land of pineapples and hula dancers etc. It is really pretty here and everything is going along fine.

On my first liberty I went into Honolulu and went bathing at Waikiki Beach. It is a nice place, but I believe I would trade it for Prices Run anyday. I happened to get in a conversation with a sailor and he told me something which really took me by surprise, that being my cousin's ship was in — which is only about 1 mile from my camp. Anyhow I went over there and went aboard the — which is the ship my cousin has been on for the last year and half. Well I don't have to tell you how surprised my cousin was to see me. It was really nice seeing him too.

Well Mollye, what is new around the "Y" I hope you had a nice new year and want to wish you all the happiness you so justly deserve. Did the "Y" have a party this year? We had to celebrate

here printing cokes, at the P. X., but I'll
make up for it next year.

If there are any fellows you know
stationed around here give me their add-
ress and when I get a chance I'll look
them up. I would also like to have the
Recorder as I really miss it out here. Well
Molly I must go out and see if my washing
is dry so I'll end with love until I hear
from you again.
