Dear Mr. Markel:

Your letter of June 18 was referred to the Department of History.

Mr. J. R. Sirlouis of the Divisions of Military and Naval History informs me that Mrs. Marie L. Schaul presented to the U.S. National Museum a collection of relics owned by her father, Lt. Nathan Levy. The only record we have of Lt. Levy's Civil War service is listed in the publication, Michigan in the War by John Robertson, and published by W. S. George & Company, State Printers and Binders, Lansing Michigan, 1882.

A copy of this record is enclosed.

Very sincerely yours,

Margaret Brown Klaphor
