MEETING OF THE PLANNING AND DEVELOPMENT COMMITTEE OF THE JEWISH COMMUNITY CEMETERY ASSOCIATION

Sunday, May 10, 1953 10 A. M.
100 E. 7 Street

A meeting of the Planning and Development Committee of the Jewish Community Cemetery Association was held Sunday morning, 10 o'clock, May 10, 1953, in the Federation office. Mr. Samuel Keil, Chairman, presided and the following members were present: Herbert L. Cobin, Nathan P. Michlin, Louis Platensky, Charles Schnitzer, Henry Schultz, Abe Shulman, Marcus Stiftel, and A.R. Lieberman.

Mr. Stiftel reported that on May 5, 1953 a meeting was held in his office, at which time the Workmen's Circle agreed to share the 1-1/8 acres of land with the Moses Montefiore and that the excess of land over 1-1/8 acres the Workmen's Circle is willing to resell to the three synagogues.

The problem of development once again was discussed in detail and it was recommended ~~that~~ in order that the Cemetery Assoc. be able to proceed with the development of the land, the Moses Montefiore and the Workmen's Circle are to develop their own land. If in the future the Moses Montefiore should require the use of the main road giving access to the whole cemetery, they will at that time share in the original cost of the building of the road. A recommendation was also seconded and approved that under no circumstances can the land of the Cemetery Assoc. be used as collateral or mortgaged.

A motion was also made, seconded and approved that the three synagogues proceed with the development, and work with Van Demark & Lynch to this end. The three synagogues agreed to share in the total cost by contributing \$835. each, for a total of \$2,505. It was also suggested that each congregation send this money to the Assoc. within the next 30 days. There being no further business, the meeting was adjourned.
