ARMY AIR FORCE

Dear Mollie -

At last this busy beaver has  
time to write to his friends. Our  
field production "Strip for Action";  
of which yours truly had the insignificant  
job of 3rd asst. Director, is part  
of the post. I was a burlesque of  
burlesque - with an all-male cast.

It's a thrill to hear of all the  
set boys getting in contact with  
each other. I just ran into one of  
the boys of the Balto. Chopta on  
the trolley going into town. We  
really get around.

Rumors are rife as to ratings,  
and I think you understand about

the A.I. rumors by now. Meanwhile  
I'm struggling along on \$54 per.

The news is out!! My purlough  
comes through the latter part  
of October. Oh, happy day.

We're having time off for the  
New Year services, and they're  
really out-don't themselves here.  
2-day passes, etc. I think it  
swell.

Wishing you and the entire  
organization a very happy  
New Year -

Azzover -  
Joke
