Dear Molly,

Get a change of address again. My file must look like an advertisement of a scenic tour.

I'm back at Charute, and it feels pretty good to get out of the woods of Washington. I miss the friends I made there, but ~~then this isn't the first time that has happened.~~ So help me I'm finally

2

getting tired of moving
around the country. I'd
like to stay in one place
4 mo. just to break a
record. I don't even get
a kick out of riding cross
country on a train, chances
are 99 of 100 that I've
been there before.

~~Don't expect to be
here long either; I've been
here a month and I shouldn't
stay here more than 3 mos
so - monstrous visit it.~~

3.

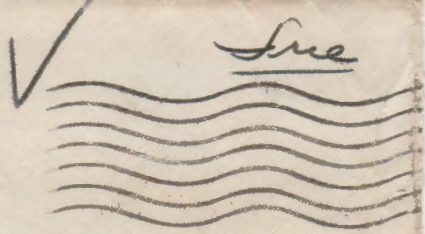

I personally wish I had
some Railroad stock; I
could kill to bid with one
share then.

~~Well I really can't
think of anything interesting
to say; about the only
excitement I get out of the
Army is routine + train
rides which isn't much
from my point of view.
Thanks for the~~

recorder, its like a letter
from the boys, and say
hello for me to any who
might be home on furlough.
