

"UNITED FOR VICTORY"

AIR CORPS TECHNICAL SCHOOL  
KEESLER FIELD • MISSISSIPPI

[2/24/43]

Dear Molly

Before I really start this letter, I want you to know, I received the swell gift. And want you to please convey my thanks to the ones concerned.

Molly please believe me I would like to write to you oftener, but honestly I'm up to my neck in duties, and studies. And very rarely get time to do the things I should do. I'm sure you will understand.

Well we have passed the half way mark of our course, and should graduate about April 10th.

I'm going to be one happy boy the day I leave this place. I don't think there is another field like it. In fact there couldn't be.

We put 7 hrs. a day in school. Incidentally during that time we are not allowed to sit down. After doing that, they give you exactly 6 hrs. sleep a night. After that you get peped up with a two hour conditioning period. So you can see for yourself Molly, after they finish all of that, and pile on some

squadron duties you are ready to relax, and do nothing else!

Tomorrow is my day off. If everything goes right, we intend going to Gullport to do the town in.

I understand Ben Rossin is stationed there. Please send me his address, I would like to look him up in the near future.

That about covers everything. So I will close with best regards to all.

Eddie
