Dear Mr. Merkel:

We have nothing in our records about Nathan Levy.

However the person in charge of the Historical Museum has found the following information:

He was born in Prussia, 1838, entered military service of U. S. on Oct. 1861 as second lieutenant, Co. H 10th Michigan Infantry and served therein until the muster-out of Battalion on April 21st, 1865. He had been promoted to first lieutenant.

He joined the Swift Post No. 94, Department of N. Y. June 24, 1869. This was our local post. There is no farther record of him.

Very truly yours

Lenore T. Howe

Dear Miss Howe:

Thank you very much for your letter of September 22, 1958.
It contained one piece of information that I have been
seeking for some time, the G A R post to which my grand-
father belonged.

Thank you for checking the records and providing the
answer to my most important question.

Very truly yours,

Adolph Markel, Jr.
